

# Olympic Peninsula GeoTour

Let your GPS device guide you to some of the Olympic Peninsula's most spectacular locations!

To get started, visit [www.geocaching.com](http://www.geocaching.com) to set up a free account or download the geocaching app for your smart phone. Next, click <https://www.geocaching.com/play/geotours> to find the Olympic Peninsula GeoTour link, then hit the road to find all 30 new geocaches hidden in some of the most spectacular scenery in the world!

Record your geocache finds by stamping each of the 30 squares and writing the code word found in each box. Don't forget to log your finds on the geocaching website, too! When you've completed all 30 cache finds, fill out the information on the back of your passport and mail it in to receive a collectible geocoin to remember your adventure. One coin per household while supplies last. Be sure to keep a copy of your passport, and please allow 3-5 weeks for your geocoin to arrive. Now, let's get started!!

To be entered into a drawing to take place on January 4, 2017, attach a receipt from a purchase on the Olympic Peninsula -- i.e. lodging, meal, gas, ice cream cone! The drawing will include the magnificent geocoin (in case they are all gone when you complete your geotour, you will still have an opportunity to win one) and overnight accommodations so you can come back to do more geocaching. Geocoins are limited and will be awarded on a first-come, first-served basis while stocks last. You must send your original passport to receive your geocoin. Only one geocoin may be awarded per family or household.

By searching for these geocaches, visitors agree that they are responsible for their own actions, and acknowledge that neither the Olympic Peninsula Tourism Commission, Olympic Peninsula Visitor Bureau nor the cache owners are responsible for any loss or injury that may occur in relation to such search.
