

Olympic Peninsula GeoTour – LAST CHANCE! Two-For-One

Let your GPS device guide you to some of the Olympic Peninsula’s most spectacular locations!

To get started:

- Visit www.geocaching.com to set up a FREE account or download the geocaching app for your smart phone.
- Next, click www.geocaching.com/play/geotours to find the Olympic Peninsula GeoTour link.
- Then hit the road to find all 30 geocaches hidden in some of the most spectacular scenery in the world!

Record your geocache finds by stamping and writing the code word found in each cache. Don’t forget to log your finds on the geocaching website, too! When you’ve completed all 30 cache finds, fill out the information on the back of your passport and mail it to receive two collectible geocoins to remember your adventure. Attach a receipt to be entered into a prize drawing. Be sure to keep a copy of your passport, and please allow 3-5 weeks for your geocoins to arrive. Now, let’s get started!
