## Clallam County Tourism Enhancement Grant 2022 - Grant Program Guidelines

### Objective

The **Olympic Peninsula Visitor Bureau** (OPVB) receives funding from room tax revenues generated in unincorporated Clallam County and bears an obligation to promote and enhance lodging nights in and for unincorporated Clallam County. The Tourism Enhancement Fund is designed to encourage tourism-related projects/events in Clallam County that attract overnight visitors.

### Funds Available

The OPVB has funds available for investment in Tourism Enhancement projects/events and activities for the calendar year 2022 (total funds available in 2022 are \$125,000). In order to facilitate as many qualified projects/events as possible, grant funding usually will not exceed \$7,500 per project/event. Additionally, there is a cap of \$15,000 per annum per applicant organization.

### Appropriate Uses

The Washington State Legislature sets the rules regarding uses of lodging tax funds. The Legislature has indicated that these funds are to be used solely for tourist promotion, support and operations of special events, and for the acquisition and/or maintenance of tourism-related facilities as specified in [RCW 67.28.1816](#). The OPVB prioritizes use of Tourism Enhancement Grant funds for tourism promotion/marketing and support of appropriate special events. (For large-scale events, special projects and/or tourism infrastructure improvements, please apply directly to the Clallam County [LTAC](#).)

### Ineligible Activities

1. Expenses incurred prior to award date. (Some exceptions may apply.)
2. On-going expenses of web site hosting and web site maintenance.
3. Lobbying and other political activities or initiatives.
4. Research and feasibility studies.
